## **YARD SALE SUCCESS**

We did it again!!!!!!!!!!!!!! There are so many to thank for the successful sale that it's hard to know where to start. **First off to all who were so generous with their donations**, then the men and women who helped set up tables and bring down items from the attic and backroom, the women, men and children who unpacked boxes, sorted, cleaned, priced and organized, those who provided lunches for all the loyal workers, the cashiers and baggers the day of the sale, all those who assisted customers with their purchases and the men who took care of the kitchen. A very big thanks, to the Men's Association who provided the pork butts. The bar-b-que was delicious! We are very grateful for all that purchased our treasures and last but not least the good Lord who provided us with good weather most of the time.

I believe all of us who worked, formed new friendships and renewed others. We will probably all have a memory we will cherish from this event, whether it was a customer or co-worker or incident. We had workers from age ? thru 80+ and everyone had an enjoyable time. We had one worker from San Jose, CA who came to help. In fact this year we made every effort to get a list every day of those that worked. The following is a list of those that worked getting stuff out of the attic, setting up, sorting, pricing, providing meals, assist sales days – whatever! Keep in mind some may have been able to work one day, every day, one week, provide a meal, etc. Each one did what they could. It took everyone to make this happen! **Is your name missing? Make plans now to be part of this blessing next year.**
