### **LAUDATO SI: ON CARE FOR OUR COMMON HOME.**

Genesis 1:9-13. The creation of seed-bearing plants and fruit-bearing trees.

The God of life gave us seed-bearing plants and fruit bearing trees that provide food, shade and oxygen, as well as great beauty and habitats for birds and other animals.

They play a vital role in absorbing carbon dioxide from our atmosphere and are critical necessary in climate balance, as well as soil conservation.

This week, if possible, plant a small seed or plant in your yard. Check out [www.arborday.org](http://www.arborday.org) for more suggestions.

“We were not meant to be inundated by cement, asphalt, glass and metal, and deprived of physical contact with nature”. (Laudato, Si, Chapter IV,44)

## **ANNUAL FALL BAZAAR**

Thank you Thank you Thank You

I know I have nagged you the past few weeks for baked goods for the Country Kitchen because we had so little last year. But WOW I was absolutely overwhelmed with your Response.

Knowing this Parish as well as I do, I knew everyone would come thru, as we always do, but this was an amazing **show of support**. We had to add another table and still were able to put some things aside to put out as items sold!!!! So thanks to everyone who made cakes, cookies, candy, pies, breads, pickles and numerous other goodies. We more than doubled last year's sales!!!!

Bless every one of

you,

Nancy Brown

## To everyone who helped with the bazaar!!

Thank you! This biggest fund-raiser of the year could not happen without so many parishioners working hard and working together.

On the Monday morning of set-up, I felt like magic had happened. Everybody knew exactly what to do, and 2 hours after we started, the Family Life Center was set up! MAGIC, I tell you.

All the way through clean-up on Saturday afternoon when the bazaar was over, so many people did so much to make it run smoothly. It is actually pretty exhausting, but I know everybody agrees that it is worth it.

On top of it all, we are happy that we get to meet and work with new parishioners, and that we get to work again with our "old" friends.

One last request, though, to help make our bazaars even more successful: Give me your feedback and suggestions (yes, even criticisms - you won't hurt my feelings). I would appreciate it more than I can say.
