### MESSAGE OF HIS HOLINESS POPE FRANCIS FOR THE CELEBRATION OF THE FIFTIETH WORLD DAY OF PEACE

"If violence has its source in the human heart, then it is fundamental that nonviolence be practiced before all else within families. This is part of that joy of love which I described last March in my Exhortation *Amoris Laetitia*, in the wake of two years of reflection by the Church on marriage and the family. The family is the indispensable crucible in which spouses, parents and children, brothers and sisters, learn to communicate and to show generous concern for one another, and in which frictions and even conflicts have to be resolved not by force but by dialogue, respect, concern for the good of the other, mercy and forgiveness. From within families, the joy of love spills out into the world and radiates to the whole of society."
