A REMINDER: When planning a wedding or a funeral, the **FIRST CONTACT** you need to make is your church to see when the church space is available and when the priest' schedule will accommodate your need. Given the fact that we have many celebrations scheduled already, the sooner you contact the church, the better. For a wedding, six months in advance gives time for proper preparation. For a funeral, please contact the church before arranging with the funeral home. We want to make sure a priest is available for you and your family.
